Explanation - This amendment provides an appropriation to the department of FWP for a special parks trail grant. The grant will be provided, as reimbursements, to the city of Missoula for the design and construction of the RUX lighted and paved path. Funding for the project is derived from the department of transportation's highway non-restricted revenue fund and is restricted only for this purpose. Language requires that FWP to report to the next long-range planning subcommittee on the progress of the project.
